Key Ranch Priorities

GHR's focus is on Rumen Development. A Holistic approach to Worming & Additives is implemented. GHR breeds & maintains a closed Goat Herd with no other Livestock on the Ranch & protected by a Strong Bio-Security Policy.

“GOATS FOR ETHNIC HOLIDAYS”

The right goat, at the right weight, on the right day, slaughtered the right way!

4-H & FFA Programs

Goals and Objectives:

Provide opportunities for youth to develop experience with raising and caring for a Nubian Goat Lease Program:

- **To support** the 4-H & FFA initiatives and its members,
- **To provide** 4-H & FFA members opportunities to gain experience with Nubian Goats,
- **To increase** the number of youth working with Nubian Goats,
- **To provide** a lower initial cost for Program participation,
- **To gain** experience with the Critical Success Factors in raising Nubian Goats,
- **To provide** the experience with the Business aspects & Agreements.
